## President's Report – October 2011

Our Club Logo

Hello Everyone

Welcome to the October newsletter, our last month in the event calendar. What a great year it has been with a very busy event calendar, some excellent clinics and several riders competing outside the club with great success and/or going up a level in their dressage tests.

We had a great day at the Logan Village/ Cedar Grove/Tamborine Riding Clubs Interclub event, hosted by the Logan Village Riding Club on October 23rd. Although we had six less riders than LV, we won the day by a very convincing lead of 367 to 246. Congratulations to Alyssa Cornell for riding overall highest points rider and to everyone who represented the club.

Our final Associate dressage was held last Sunday and we have a very full draw with three rings running until early afternoon. It was a very successful day. Thanks to all our helpers, riders, judges and the dressage committee.

House Keeping:

We are in the process of obtaining an electricity audit to identify why our electricity bills are still very high. Hopefully we will be able to reduce our costs by the first quarter of 2012.

As always, please make sure you lock the gates to the sand arenas and the enclosed arena when you finish riding and always pick up any manure your horse may drop in the arenas. Also, please be sure to pick up your rubbish, and any other rubbish that may be lying around, and put it in the industrial bin. THANKS!!

BDS Logan City Council Sports Awards:

Last Wednesday (Oct. 19th), Sharon, Inger and I represented the club at the BDS Sports Awards night at the Logan Entertainment Centre. Our table was hosted by Councillors Hajnal and Sean Black. It was a lovely evening and great to see so many outstanding sporting achievements in the Logan area. Hopefully next year there will be an equestrian winner up there on the stage as well.

New Members:

This month we welcome Jan Quinn and Katie Lea Quigley to the club. The club grounds will be open all through the summer break (weather permitting) so there is still plenty of time left to use the club facilities for training over the next few months.

2012 Sign-on day and AGM:

Sign-on day for 2012 is Saturday, February 4th from 9am until 1pm and the Annual General Meeting is the following week, Saturday February 11th at 3pm. Please mark those dates on your calendars. We would love to see as many people as possible joining on the day to support the club right from the start of the new year.

There will be several management and organising committee positions open for 2012 so please consider coming onboard as a committee member. We have a great

### Anyone INTERESTED in joining for a Casual Trail Ride at the Club

Any club members want to go for a casual trail ride, they are to meet at the grounds at 3pm on Saturday. I have two ex racehorses who are still very green. Lyn also has a ex racehorse. It would be fantastic if other members with similar horses (young horses, green horses) could all get together and we could go for a short ride around Cedar Grove. I am happy if anyone wants to contact me. I can be contacted on 0402521621.

PS... I ride at grounds on Saturday mornings with either a small hyperactive standardbred or a **tall grey TB. If you are there on Saturdays, you may see me. I don't use bits so people often notice me for that.** After two years of struggling to control the standardbred under saddle and trialling many different types of bits, she has become much more controllable without a bit **and doesn't pull, head toss or take off anymore.**

Thankyou Jane Melville
